1 The Authority

The European Securities and Markets Authority (ESMA) is an independent EU authority established in January 2011. ESMA's mission is to enhance investors' protection and promote stable and orderly financial markets as specified in its [founding Regulation](#).

The Authority has published its [ESMA Strategy 2023-2028](#) identifying for the coming years three strategic priorities:

- fostering effective markets and financial stability;
- strengthening supervision of EU financial markets;
- enhancing protection of retail investors;

and two thematic drivers:

- enabling sustainable finance; and
- facilitating technological innovation and effective use of data.

ESMA achieves its mission within the European System of Financial Supervision (ESFS) through active co-operation with National Competent Authorities (in particular with securities

¹ According to the Article 2(f) of the [Conditions of Employment of Other Servants \(CEOS\) of the European Union](#).

² Temporary agents may be engaged under their first contract for a fixed period of 5 years. Any further renewal shall be in principle for an indefinite duration. Probationary period for the first contract is nine months.

market regulators) as well as with the European Banking Authority (EBA) and the European Insurance and Occupational Pensions Authority (EIOPA). ESMA has a unique position within the ESFS as it exercises direct supervision over a number of financial markets participants, established in the EU or offering financial services in the EU from third countries.

For further information, please refer to ESMA's website: <http://www.esma.europa.eu>

2 Job framework and profile

ESMA is organising a selection procedure to recruit an experienced, dynamic and forward-thinking **Senior Supervision Officer** in the Credit Rating Agencies (CRA) Unit and to constitute a reserve list of suitable candidates.

The Conduct Supervision & Convergence (CSC) Department is tasked with the supervision and relevant policy work of all EU Credit Rating Agencies, Trade Repositories, Securitisation Repositories, certain Data Reporting Services providers and certain Benchmark administrators. CSC Department is also tasked to coordinate the activities on supervisory convergence across ESMA to promote sound and consistent supervision across the EU.

The **CRA Unit** is responsible for assessment of registration, day-to-day supervision, and policymaking in the area of Credit Rating Agencies (CRAs). As part of its activities, the Unit is responsible for supervisory risk analysis of all registered CRAs and the development of supervisory strategies to address the identified risks. A dedicated Small & Medium CRAs Team has been set up under the Unit to deal with registrations and the ongoing supervision of small and medium sized CRAs.

For more information, please consult [ESMA's Departments](#) and [organigramme](#).

We are looking for a dynamic, proactive, highly motivated professional with an innovative mindset and extensive experience in the areas of methodologies/model development and validation, ideally in the CRA or ESG rating market.

Main duties:

The jobholder will report to the Head of CRA Unit and be responsible - in particular - for the following tasks:

Supervision

- Provide expertise in the area of models and methodologies under the CRA Regulation;
- Contribute to ongoing supervision of CRAs through critical analysis of supervisory information;
- Engage in an effective manner with supervised entities on the analytical and methodological process (e.g. model development, methodological framework, rating approval process, validation process etc). This includes delivering feedback to analytical staff and senior management of supervised CRAs;

- Contribute to supervisory tasks such as the review of periodic information, and remedial action plans, material changes notified to ESMA or other;
- Develop supervisory strategies that ensure a good balance of reactive and preventative supervision in an outcome-based approach and in support of ESMA's strategic objectives.

Coordination, support and planning

- Coordinate projects within the CRA Unit and across mandates within the CSC Department and involving other ESMA teams and competent authorities where relevant;
- Maintain close and open relations with other supervisors, EU institutions and other relevant stakeholders in the Unit's fields of activity.
- Support the identification of knowledge gaps for the expert area and help organising relevant workshops, seminars, etc.
- Report regularly on his/her activities to the Head of Unit.

3 Professional qualifications and other requirements

3.1 Eligibility criteria

To be considered eligible, candidates must satisfy all the eligibility criteria listed below, by the deadline for submitting applications:

- have at least a level of education which corresponds to completed university studies of **four years** attested by a **diploma**³, and after having obtained the diploma, **six years** of proven professional experience⁴

OR

have at least a level of education which corresponds to completed university studies of **three years** attested by a **diploma**³, and after having obtained the diploma, **seven years** of proven professional experience⁴;

- be a national of a Member State of the European Union or the EEA (Norway, Liechtenstein, Iceland);
- enjoy full rights as a citizen⁵;

³ Only qualifications that have been awarded in EU Member States or that are subject to equivalence certificates issued by the authorities of an EU Member State shall be taken into consideration.

⁴ For more information on calculating the professional experience, please consult the "Candidates Guidelines" document published on [ESMA's website](#).

⁵ Prior to the appointment, the successful candidate will be asked to provide a police certificate confirming the absence of any criminal record.

- have fulfilled any obligations imposed by the applicable laws concerning military service;
- have a thorough knowledge of one of the languages of the European Union⁶ and a satisfactory knowledge⁷ of another language of the European Union, and
- be physically fit to perform the duties linked to the post⁸.

3.2 Selection criteria

Applications which fulfil the above Eligibility criteria (part 3.1) will be assessed and scored against the Essential requirements (part 3.2.1). Candidates who do not meet all the Essential requirements (part 3.2.1) will not be considered further in the selection process.

Candidates who meet all the Essential requirements (part 3.2.1) will be scored against the Advantageous requirements (part 3.2.2).

Within this comparative evaluation of applications, the **10 best candidates** (who obtain the highest scores) will be invited first for a written test⁹ (1st part of the selection procedure).

Consequently, the candidates, who reach a minimum score of 60% for the written tests, will then be invited for interviews with the Selection Board (2nd part of the selection procedure).

3.2.1 Essential requirements

- a) At least six (6) years of experience in analysing economic, econometric, or industry-based methodologies and models in the regulatory sector and/or in a financial services firm such a credit rating agency, bank, insurance company, CCP etc.
- b) Excellent written and oral English and clear and concise writing style¹⁰.

3.2.2 Advantageous requirements

- c) Experience in regulation, supervision or control functions within the EU-regulatory framework;
- d) Experience in the Credit Rating and/or ESG rating market and solid knowledge of ratings process and potential risks posed by firms providing these products;

⁶ The languages of the EU are: Bulgarian, Croatian, Czech, Danish, Dutch, English, Estonian, Finnish, French, German, Greek, Hungarian, Irish, Italian, Latvian, Lithuanian, Maltese, Polish, Portuguese, Romanian, Slovak, Slovenian, Spanish, and Swedish.

⁷ At least at the level B2, according to the [Common European Framework of Reference for Languages](#). Knowledge of the 2nd EU language will be tested orally for candidates invited for interviews.

⁸ Before the appointment, the successful candidate shall be examined by ESMA's medical centre in order to confirm that the candidate fulfils the requirements of Article 12(2) (d) of the CEOS (physical fitness to perform the duties).

⁹ Tests and/or interviews may be performed remotely.

¹⁰ At least at [B2 level](#), as evidenced in the CV/motivation. English is the working language of ESMA, as decided by ESMA Management Board with the decision ESMA/2011/MB/3 of 11/01/2011. This decision implements Article 73 (2) of the ESMA Regulation (EU) No 1095/2010 establishing ESMA.

- e) Experience in coordinating projects (please detail your role and level of responsibilities, size of the team);
- f) Experience in processing and analysing financial data;
- g) University degree¹¹ or professional qualification in a discipline relevant to profile;
- h) Experience in process optimisation or change management (please detail your role and level of responsibilities); and
- i) Specific motivation for applying to the job and contribution brought in joining the team/organisation.

Candidates invited for interviews and written tests will be assessed against all selection criteria (parts 3.2.1 & 3.2.2 & 3.2.3).

3.2.3 Supplementary requirements

- j) Excellent methodological and analytical skills and capacity to identify key issues;
- k) Ability to deliver high-quality work under pressure and tight deadlines;
- l) Dynamic personality with strong aptitude for teamwork, and
- m) Excellent inter-personal skills, strong communication skills and ability to communicate clearly and effectively with internal and external stakeholders.

The candidates who receive at least 60% of the maximum points in interviews will be included in the reserve list of suitable candidates.

The established reserve list may be used for the recruitment of a similar post depending on the needs of ESMA. Please note that inclusion in the reserve list does not guarantee recruitment.

The Selection Board's work and deliberations are strictly confidential and any contact with its members is strictly forbidden. Any contact made by the candidates or third parties in order to influence the Members of the Selection Board in relation to the selection constitutes grounds for disqualification from the selection procedure.

4. How to apply

Candidates should submit their application exclusively via [e-Recruitment](#). ESMA does not accept applications submitted by any other means.

All sections of the application must be completed in English. To be considered, applications must be received by 23:59:59 CET on the closing date. We advise candidates to submit their
