COUNCIL IMPLEMENTING REGULATION (EU) 2024/1493

of 27 May 2024

implementing Regulation (EU) No 269/2014 concerning restrictive measures in respect of actions undermining or threatening the territorial integrity, sovereignty and independence of Ukraine

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Council Regulation (EU) No 269/2014 of 17 March 2014 concerning restrictive measures in respect of actions undermining or threatening the territorial integrity, sovereignty and independence of Ukraine⁽¹⁾, and in particular Article 14(1) thereof,

Having regard to the proposal from the High Representative of the Union for Foreign Affairs and Security Policy,

Whereas:

- (1) On 17 March 2014, the Council adopted Regulation (EU) No 269/2014.
- (2) In its conclusions of 24 February 2022, the European Council condemned in the strongest possible terms the Russian Federation's unprovoked and unjustified military aggression against Ukraine. By its illegal military actions, Russia is grossly violating international law and the principles of the Charter of the United Nations, and undermining European and global security and stability. The European Council called for the urgent preparation and adoption of a further individual and economic sanctions package. The European Council called on Russia and Russia-backed armed formations to stop their disinformation campaign.
- (3) In its conclusions of 21 and 22 March 2024, the European Council reaffirmed the Union's steadfast support for Ukraine's independence, sovereignty and territorial integrity within its internationally recognised borders and its inherent right of self-defence against the Russian aggression. It also called for further steps to weaken Russia's ability to continue waging its war of aggression, including by strengthening the sanctions.
- (4) The Russian Federation has engaged in a systematic, international campaign of media manipulation and distortion of facts in order to enhance its strategy of destabilisation of its neighbouring countries, and of the Union and its Member States. In particular, the propaganda has repeatedly and consistently targeted European political parties, especially during election periods, as well as targeting civil society, asylum seekers, Russian ethnic minorities, gender minorities, and the functioning of democratic institutions in the Union and its Member States.
- (5) In order to justify and support its war of aggression against Ukraine, the Russian Federation has engaged in continuous and concerted propaganda actions targeted at civil society in the Union and neighbouring countries, gravely distorting and manipulating facts.
- (6) Those propaganda actions have been channelled through a number of media outlets under the permanent direct or indirect control of the leadership of the Russian Federation. Such actions constitute a significant and direct threat to the Union's public order and security. Those media outlets are essential and instrumental in bringing forward and supporting the aggression against Ukraine, and for the destabilisation of its neighbouring countries.
- (7) In view of the gravity of the situation, it is appropriate to adopt further restrictive measures.
- (8) In particular, the Council considers that two persons and one entity responsible for, supporting or implementing actions or policies undermining or threatening the territorial integrity, sovereignty and independence of Ukraine should be added to the list of natural and legal persons, entities and bodies subject to restrictive measures set out in Annex I to Regulation (EU) No 269/2014.
- (9) Regulation (EU) No 269/2014 should therefore be amended accordingly,

HAS ADOPTED THIS REGULATION:

⁽¹⁾ OJ L 78, 17.3.2014, p. 6.

Article 1

Annex I to Regulation (EU) No 269/2014 is amended in accordance with the Annex to this Regulation.

Article 2

This Regulation shall enter into force on the date of its publication in the *Official Journal of the European Union*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 27 May 2024.

For the Council

The President

J. BORRELL FONTELLES
