

*Louis J. Crishock
Acting High Representative
and Supervisor of Brčko District*

Attn: Heads of Mission

OHR bi-lateral partners

Sarajevo, 22 July 2026

Call for Secondees for available positions in OHR

Your Excellency,

I would like to provide an update on available secondments at the Office of the High Representative for the consideration of your government.

Following a similar appeal for secondments in 2025, OHR successfully filled two senior-level management positions in our Banja Luka Office and extended secondments by a year for two managerial positions in Sarajevo.

That said, several seconded positions will become available during the course of the next year, and announcing these positions now gives your government the best chance to consider supplying staff to serve in one of these positions, helping us to ensure smooth functioning in OHR. We hope that your government would agree that the nomination of a potential candidate to join our office in one of these positions would be a unique opportunity to support the peace implementation process.

Attached please find a list of the available positions for your consideration. Please feel free to reach out to our Human Resources Office (+ 387 33 283 851) or Darren Clark, the Director of Resources and Transformation department (+ 387 33 283 991) for more information.

Allow me to thank you and your government for your continuous support to Bosnia and Herzegovina and to the Office of the High Representative.

Please accept the assurance of my highest consideration.

Sincerely,

Louis Crishock
Acting High Representative

Office of the High Representative for Bosnia and Herzegovina
E. Bluma 1 71000 Sarajevo, Bosnia and Herzegovina
