

**INFORMATIVNI LETAK
ZA VOZAČE TERETNIH VOZILA I
AUTOBUSA KOJIMA JE IZDANA
HRVATSKA DUGOTRAJNA VIZA (VIZA D)**

Vozači teretnih vozila i autobusa u međunarodnom cestovnom prometu, kojima nije potrebna kratkotrajna (C) viza za ulazak u Republiku Hrvatsku i druge države članice Schengenskog područja, mogu na području Republike Hrvatske boraviti najdulje do 365 dana na temelju izdane dugotrajne vize (vize D), koja se izdaje s rokom valjanosti do jedne godine i odobrenim trajanjem boravka do 365 dana, ovisno o priloženoj dokumentaciji.

Dugotrajna viza (viza D) omogućuje isključivo ulazak na područje Republike Hrvatske radi obavljanja prijevoza robe, dobara ili putnika, te se ne može koristiti u druge svrhe (turizam, privatni posjet i sl.).

Vozači teretnih vozila i autobusa kojima je izdana dugotrajna viza (viza D) ne mogu ulaziti na područje drugih država članica Schengenskog prostora.

Vozači teretnih vozila ili autobusa koji prevoze putnike ili robu u druge države članice Schengenskog prostora, odnosno tranzitiraju preko Republike Hrvatske, bit će registrirani od strane graničnih tijela Republike Hrvatske u Sustavu ulazaka/izlazaka (Entry/Exit System – EES). Nakon kreiranja dosjea u EES-u, brojat će im se dani boravka provedeni u Schengenskom prostoru, uz primjenu pravila o maksimalnom boravku od 90 dana u bilo kojem razdoblju od 180 dana.

Zlouporaba izdane dugotrajne vize (viza D), primjerice pokušaj zaobilaženja propisa EU radi izbjegavanja registracije dana boravka u drugim državama članicama Schengenskog prostora, odnosno korištenje protivno svrsi izdavanja, predstavlja osnovu za ukidanje ili poništenje izdane dugotrajne vize (viza D).

**INFORMATION LEAFLET
FOR DRIVERS OF FREIGHT VEHICLES
AND BUSES WHO HAVE BEEN ISSUED
A CROATIAN LONG-STAY VISA
(VISA D)**

Drivers of freight vehicles and drivers of buses engaged in international road transport who are third-country nationals exempt from the requirement to obtain a short-stay (C) visa for entry into the Republic of Croatia and other Schengen Area Member States may stay in the territory of the Republic of Croatia for up to 365 days on the basis of an issued long-stay visa (visa type D), which is issued with a validity period of up to one year and an authorized stay of up to 365 days, depending on the documentation submitted with the application.

A long-stay visa (visa D) permits entry into the territory of the Republic of Croatia exclusively for the purpose of transporting goods or passengers, and may not be used for other purposes (tourism, private visits, etc.). Drivers of freight vehicles and buses who have been issued a long-stay visa (visa D) may not enter the territory of other Schengen Area Member States.

Drivers of freight vehicles or buses who transport passengers or goods to other Schengen Area Member States, or who transit through the Republic of Croatia, will be registered by Croatian border authorities in the Entry/Exit System (EES). Once a file is created in the EES, their days of stay spent within the Schengen Area will be counted, in accordance with the rule allowing a maximum stay of 90 days in any 180-day period.

Misuse of an issued long-stay visa (visa D), for example, attempting to circumvent EU regulations in order to avoid the registration of days spent in other Schengen Area Member States, or using the visa contrary to the purpose for which it was issued—constitutes grounds for revocation or annulment of the issued long-stay visa (visa D).
