

# 9<sup>th</sup> IVRA International Medical Conference 2026

## “Beyond Survival: The Era of Healing”

**Dr. Kim Eui-shin**

U.S. MD Anderson tenured professor, Seoul National Uni. prof.Oncology, Seoul St. Mary's Hospital

**Prof. Jang Hong-seok**

Department of Radiation Oncology, Seoul St. Mary's Hospital

**Dr. Yoo Seung-mo**

Yesan Myeongji Hospital, Chungnam

**Han Sung-ho**

CEO of AdipoLABs, CEO of IVRA

**Prof. Kim Seung-jo**

Former Director of Catholic University St. Mary's Hospital

**Prof. Lee Kang-hyun**

Former Dean of Wonju Severance Christian Hospital, Yonsei University

**Dr. Chang Sang-keun**

Specialist in Neurosurgeon

**Dr. Kim Kyung-jin**

President of the Korea Balance Medical Association

**Prof. Kang Young-nam**

Department of Radiation Oncology, Seoul St. Mary's Hospital

**Prof. Hyun Myung-han**

Ilsan CHA Hospital Cancer Integrated Treatment Center

**Dr. Lee Chan-yong**

Director of Seoul OnCare Clinic

**Dr. Shin Hyeong-jin**

Director of Hwaseong EM365 Clinic

**Dr. Yang Jae-ho**

Director of Jongno ChiHyu Oriental Medicine Hospital

**Dr. Ryu Jeong-man**

Nabisol Korean Medicine Hospital

**Dr. Kim Jeong-hun**

Daegu Happy H Hospital

**Dr. Lee Sang-hyung**

Cancer Integrated Treatment Center, IlSan Cha Hospital

**Pres. Huang Zaijun**

Pres. of Chengdu Elderly Care Service Association  
Pres. of Chengdu Huang Zaijun

**Dr. Huang Zheqi**

General Manager of HUANG Rheumatism Group  
President of HUANG ZAIJUN Hospital

**Dr. Nagraj G Huigol**

Dr. Balabhai Nanavati Hospital, India

**Dr. Kenny Yong Yean Sim**

Owner & Director of Well Again HealthCare Center, Malaysia

**Dr. Brendan Chia Seng Hup**

Consultant, Clinical Director Radiation Oncology Raffles Hospital Singapore

**Dr. Taufiq Bin Jemain**

Willow Vale Clinic Australia

**Moses Balagopal**

Director & Co Founder of AdipoLABs Healthcare

**Isaac R. Joseph**

Director & Co Founder of AdipoLABs Healthcare

**Date : May 9, 2026 (SAT) / 09:00~18:00 (KST)**

**Location : Maria Hall, Seoul St. Mary's Hospital,  
Catholic University of Korea.**

**Host : IVRA Organizing Committee**

**Sponsor : AdipoLABs Co., Ltd.**

# IVRA International Medical Conference 2026

"Beyond Survival: The Era of Healing"

## Invitation to the 9<sup>th</sup> IVRA International Medical Conference 2026

---

Good day, Ladies and Gentlemen,

The IVRA Organizing Committee will host the "9th IVRA International Medical Conference 2026" on Saturday, May 9, 2026, from 9:00 AM to 6:00 PM, at the Maria Hall of the Catholic University of Korea Seoul St. Mary's Hospital, to explore new possibilities for cancer treatment and the promotion of human health.

This international conference, now in its 9th year, is hosted by the IVRA Organizing Committee with the support of AdipoLABs Co., Ltd. IVRA will bring together medical professionals from leading Korean medical institutions, preeminent medical scholars from over 20 countries, and cancer patients from Korea and abroad to discuss the achievements of clinical research in cancer treatment and the latest advancements in medical technology.

This conference is sponsored by leading institutions such as Seoul St. Mary's Hospital of the Catholic University of Korea, the Korean Society of Thermal Medicine(KSTM), Wonju Severance Christian Hospital and the Korean Balance Medical Association. Under the theme "Beyond Survival: The Era of Healing" this conference will serve as a meaningful forum for academic exchange, exploring new paradigms and integrative approaches to cancer treatment.

Inspired by the founding spirit of the IVRA, a non-profit organization dedicated to liberating humanity from disease and suffering, we cordially invite you to this academic conference, where we will share the clinical achievements of cancer treatment and the vision for future medical technology advancements.

IVRA Co-Representative Han Sung-ho

IVRA Co-Representative Yoo Seung-mo

IVRA Organizing Committee Chairman Jang Hong-seok

# The 9th IVRA International Medical Conference 2026

SAT. 9<sup>th</sup> MAY 2026, TIME 09:00 am - 18:00 pm

TIME	SPEAKER	SUBJECT	PAGE
Part 1 Chairperson: Dr. Jang Sang-keun, Dr. Kim Seung-jo			
08:50~09:00	Opening	MC	
09:00~09:10	Congratulatory Remarks	IVRA CEO Han Sung-ho	
09:10~09:30	Introduction & Congratulatory remarks of VIPs		
09:30~09:40	Part 1 Chairperson Introduction	MC	
09:40~10:10	Prof. Jang Hong-seok Seoul St. Mary's Hospital	Role of Hyperthermia in Clinical Oncology	
10:10~10:35	Dr. Nagraj G. Huilgol Nanavati Hospital India	Cancer treatment study report (TBC)	
10:35~10:55	Prof. Kang Young-nam Seoul St. Mary's Hospital	Radiation-Induced Immune Response and Advanced Radiation Technologies	
10:55~11:15	Dr. HUANG ZHEQI, HUANG ZAIJUN Hospital	Cancer treatment study report (TBC)	
11:15~11:40	Dr. Brendan Chia Seng Hup Raffles Hospital Singapore	Cancer treatment study report (TBC)	
11:40~12:00	Prof. Hyun Myung-han Ilsan CHA Hospital	Integrative Cancer Care at CHA Hospital' s Western and Korean Medicine Collaborative Center

13:10~13:35	Prof. Kim Edmund Eui-shin MD Anderson in USA	Effective Management of Cancer	
13:35~14:00	Dr. Lee Chan-yong Seoul OnCare Clinic	The Need for an Integrative Medical Approach in Cancer Treatment & High-frequency Hyperthermia	
14:00~14:25	Dr. Ryu Jung-man Nabysol Hospital	Pancreatic cancer patient, breast cancer patient: High-frequency hyperthermia treatment case	
14:25~14:50	Dr. Kenny Yong Yean sirn Well Again Healthcare Center	HYPERTHERMIA : Curing the Incurables ! Inducing Abscopal Effects with RT combinations	
14:50~15:15	Dr. Yoo Seung-mo Yesan Myeongji Hospital	A World Without Cancer, Our Dream	
15:15~15:40	Dr. Taufiq Bin Jemain WillowVale Clinic Australia	Cancer treatment study report (TBC)	
15:40~16:00	Dr. Yoo Hwa-seung Daejeon Univ. Seoul Korean Medicine Hospital	Cancer treatment study report (TBC)	
16:00~16:20	Prof. Han Sung-ho CEO of AdipoLABs Co., Ltd.	REMISSION1°C Principle and High Frequency Cancer Treatment Protocol	
16:20~17:10	Panel Discussion : Prof. Kim Edmund Eui-shin, Prof. Jang Hong-seok, Dr. Yoo Seung-mo, Dr. Yang Jae-ho, Dr. Kim Jeong-hoon, Dr. Shin Hyung-jin, Dr. Kim Seung-jo, Dr. Nagraj G Huigol		
17:10~17:50	Q&A, Appreciation Plaque & MOU Signing Ceremony		
Commemorative Photo Shoot			
17:50~18:00	Closing		

# Highlights of the IVRA International Medical Conference

IVRA (International Virus Research Alliance) was established during the COVID-19 pandemic to explore hyperthermia as an effective approach for viral treatment. Since 2021, IVRA has hosted international medical conferences, bringing together global experts.

Today, IVRA has expanded its focus beyond viruses to include cancer, pain, and other diseases related to human immunity, aiming to provide new therapeutic possibilities and hope to patients worldwide.

■ 25 Sep 2021 : 1st IVRA Establishment & International Medical Conference for Overcoming the COVID-19 Pandemic

■ 22 Dec 2021 : 2nd IVRA Year-end General Meeting

■ 25 Jun 2022 : 3rd IVRA International Medical Conference for Cancer Treatment

■ 28 Apr 2023 : 4th IVRA International Medical Conference for Cancer Treatment

■ 25 Nov 2023 : 5th IVRA 2023 Malaysia International Medical Conference

■ 9 Jun 2024 : 6th IVRA 2024 International Medical Conference for Cancer Treatment

■ 1 Dec 2024 : 7th IVRA 2024 Indonesia International Medical Conference

■ 22 Jun 2025 : 8th IVRA 2025 International Medical Conference for Cancer Treatment

■ June 22, 2025 – 8th IVRA 2025 Organizing Committee “Paper of the Year” Award: Professor Hong-Seok Jang, Seoul St. Mary’s Hospital received the award.
