

Invitation letter

Dear Sirs,

This is an invitation letter for the businesses of your country to attend and exhibit in the HoReCa Fair Albania 2015, which will be held in Tirana from February 27 to March 01, 2015, at Tirana Expo Center.

Brief information about the HoReCa Fair Albania.

This event is organized by Event Market Ltd, which is an Albanian based company. HoReCa Fair for sure is going to be the biggest international trade fair in Albania, for the simple reasons that

- It corresponds to the biggest Albanian market segment, 70% of Albanian imports are in HORECA area, and more than 65% of employments is also HORECA.
- Is the first dedicated Trade Fair which targets a specific group of professional visitors.
- As a market segment, HORECA in Albania is very disordered and HoReCa Fair Albania provides a real contribution in helping professionals to find their proper place in our market.

This is the second edition of HoReCa Fair Albania but its perspectives look very great and despite the economic recession, the interest of local and international companies to participate the HoReCa Fair Albania 2015 is increasing every day.

In our website www.horeca.al/downloads everyone can freely download all the documentation regarding the participation in our exhibition.

However, our team is at your disposal for any questions.

We are hoping in your collaboration not only to make a larger exhibition, but mostly to open e real gate of commercial exchange between our countries.

Kindest regards

Fabian Dajcaj
