Subject: Vacancy notice - Seconded National Expert at the Fuel Cells and Hydrogen 2 Joint Undertaking (FCH 2 JU)

Ref: FCH2JU/SNE/2017/KS

Dear Mr ŠKRABALO,

The Fuel Cells and Hydrogen 2 Joint Undertaking (FCH 2 JU) is a unique public-private partnership between the European Commission, the Fuel Cells and Hydrogen Industry Stakeholders established under **Council Regulation (EU) No 559 / 2014 of 6 May 2014** in Brussels for a period up to 31/12/2024.

The FCH 2 JU is supporting research, technological development and demonstration (RTD) activities in fuel cell and hydrogen energy technologies in Europe. Its aim is to accelerate the market introduction of these technologies, realising their potential as an instrument in achieving a carbon-lean energy system.

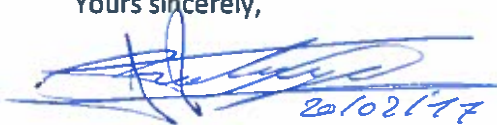

The FCH 2 JU is launching a vacancy notice for one post of **Seconded National Expert (SNE) - Knowledge Support**.

The applications must be sent in accordance with Article 3 of the SNEs rules by the Permanent Representations by **2 April 2017** to the following e-mail address: applications@fch.europa.eu

More details on the description of the vacancy and the applicable SNEs rules are in the annexed documents:

- 1- Vacancy notice
- 2- FCH 2 JU Governing Board decision laying down rules on the secondment of national experts to the FCH 2 JU

Yours sincerely,

20/02/17

Bart Biebuyck
Executive Director of FCH 2 JU
