## 1. BACKGROUND

The European Defence Agency was established on 12 July 2004, and is governed by Council Decision (CFSP) 2015/1835 defining the statute, seat and operational rules of the European Defence Agency.

The Agency has its headquarters in Brussels.

The main task of the EDA is to support the Council and the Member States in their effort to improve the Union's defence capabilities in the field of crisis management and to sustain the Common Security and Defence Policy (CSDP) as it currently stands and as it develops in the future.

The Agency is structured into four directorates. Three operational directorates: Cooperation Planning & Support; Capability, Armaments & Technology; and European Synergies & Innovation and the Corporate Services Directorate.

## 2. THE AGENCY'S WAY OF WORKING

The Agency is an "outward-facing" organisation, constantly interacting with its shareholders, the participating Member States, as well as with a wide range of stakeholders. It works in an integrated way, with multi-disciplinary teams representing all the Agency's functional areas, to realise its objectives. Its business processes are flexible and oriented towards achieving results. Staff at all levels need to demonstrate the corresponding qualities of commitment, flexibility, innovation, and team-working; to work effectively with shareholders and stakeholder groups, formal and informal; and to operate without the need for detailed direction.

## 3. THE CORPORATE SERVICES DIRECTORATE

The Corporate Services Directorate manages the human resources, finance, legal, procurement and contract activities, as well as information technology, infrastructure and security, and corporate projects to ensure the smooth and efficient functioning of EDA.

## 4. DUTIES

Under the supervision of the Head of the Security & Infrastructure Unit, the jobholder will contribute to the following activities:

- improve the working conditions in the buildings;
- implement health and safety measures in the buildings;
- manage the inventory and assets management system in liaison with the Finance Unit;
- coordinate the delivery and supply of services and goods (+ stock management);
- manage activities around incoming/leaving staff (asset handover, name plates, etc.);
- carry out administrative tasks supporting the unit e.g. preparation of orders and commitments, verification of invoices, management of infrastructure/security-related files and studies, handling of signed purchase orders, filing signed contracts, drafting catalogue, etc;
- handle mail delivery and distribution;
- receive and distribute supplies;

- maintain the local infrastructure and related services;
- follow-up the interventions of contractors (technical, cleaning, catering);
- identify solutions for technical problems that may arise in the building, monitor and supervise works and maintenance executed by external contractors in EDA's premises;
- perform daily operational activities of the unit such as small repairs, removal of office furniture, etc;
- monitor the event management system and booking of meeting rooms;
- coordinate the preparation of meeting rooms;
- front office tasks;
- back-up for the colleagues in the Unit;
- any additional tasks in the Infrastructure and Security Unit as required in the interest of the service.

Duties may evolve according to development of the EDA's structure and activities, and the decisions of EDA management.
