The Embassy of the Republic of Croatia has also approved specific travel medical insurance policy schemes for corporate and group travels of individual travel insurance companies on this list with 70 years of age as upper limit of appropriate coverage.

Visa applicants are advised to note that other travel medical insurances issued by Indian insurance companies are not accepted for Croatian visa procedure. However, visa applicants may seek to obtain insurance in any other country where claims against the insurance company would be recoverable in Croatia.

IMPORTANT NOTE for citizens of India, Bangladesh, Sri Lanka, Nepal, etc.

Visa applicants for a Croatian visa for one or two entries shall prove that they are in possession of adequate and valid travel medical insurance to cover any expenses which might arise in connection with repatriation for medical reasons, urgent medical attention and/or emergency hospital treatment or death, during their stay(s) on the territory of the Republic of Croatia.

Visa applicants for a travel visa for more than two entries (multiple entries) shall prove that they are in possession of adequate and valid travel medical insurance covering the period of their first intended visit. In addition, such applicants shall sign the statement, set out in the application form, declaring that they are aware of the need to be in possession of travel medical insurance for subsequent stays.

The insurance shall be valid throughout the territory of the Republic of Croatia and cover the entire period of the person's intended stay or transit. The minimum coverage shall be EUR 30 000.

Applicants shall, in principle, take out insurance in their country of residence. Where this is not possible, they shall seek to obtain insurance in any other country. When assessing whether the insurance cover is adequate, the Embassy of the Republic of Croatia shall ascertain whether claims against the insurance company would be recoverable in Croatia.
