Railway Days enjoys each year the presence of select key figures, international and national decision makers and professionals. In terms of presentations, case studies and debates, the Club Feroviar Investment Summit is the most constructive and dynamic dialogue platform for the railway sector in Romania.

For 13 years, Railway Days has been an important industry platform for manufacturers, suppliers, distributors, service providers and partners in the railway industry.

The event is organized by **Club Feroviar** with the support of the **Romanian Railway Industry Association** and will take place on **October 16 and 17** in **Bucharest** (Hotel Radisson Blu).
