

# SYAT

SHIP&YACHT ADVANCED TECHNOLOGY  
for leisure vessels and ports solutions

28<sup>th</sup> - 29<sup>th</sup> November, 2017

**MuCa – Shipbuilding Museum, Monfalcone (Gorizia) - Italy**  
(Via del Mercato, 3 – 34074 Monfalcone - Italy)

The Maritime Technology Cluster of Friuli Venezia Giulia Region and Aries, Special Agency of Venezia Giulia Chamber of Commerce, are organizing **SYAT – Ship&Yacht Advanced Technology, the first showcase of innovative maritime technologies for passengers mobility** with application on vessels (leisure, cruise ferry) and/or infrastructures (commercial ports and marinas).

## PURPOSE

**SYAT** aims at fostering the growth of the maritime technologies sectors by offering to innovative SMEs visibility and matching opportunities with international counterparts and key players, such as ports, shipyards, marinas and design studios that could find in the showcased innovative solutions valuable answers to their needs.

## FORMAT

### 28<sup>th</sup> November

Afternoon opening conference in the presence of local institutions and welcome to foreign delegations and to all SYAT participants. To be followed by a social event.

### 29<sup>th</sup> November

#### Pitches

Two sessions (5' each pitch) of innovative solutions, selected by the organization, presented to an audience of relevant international players composed by shipyards, prime contractors, ship owners, ports, marinas and design studios, and followed by meetings organized on the spot, according to key players interests.

Application procedures are available at the link:

<http://www.marefvg.it/it/evento/syat---ship-yacht-advanced-technology-.htm>

**Deadline for application: 25<sup>th</sup> October, 2017**

**Contact: Ms Clio Kraskovic** (clio.kraskovic@marefvg.it; phone +39 0481 723440/communication area)

#### MatchMaking B2B

Two MatchMaking sessions between Italian and international enterprises, in collaboration with the Enterprise Europe Network.

An opportunity for SMEs to present their innovative solutions. A chance for international players to discover new solutions.

Registration to B2B and selection of the counterparts can be made at the following link <https://syat.b2match.io/>

**Deadline for registration and selection: 26<sup>th</sup> November, 2017**

**Contact: Ms Sabina Drandich** (sabina.drandich@ariestrieste.it; phone+39 040 6701335)

16.00 – 18.40            B2B meetings

18.40 – 21.00            Social & Networking

## VENUE

The prestigious Shipbuilding Museum of Monfalcone – MuCa, is located in the former village raised around Fincantieri Shipyards in the beginning of the XX Century, under the initiative of the Cosulich family. The only Italian museum dedicated to the shipbuilding industry and its impact on the region, MuCa is a real innovation among national museums. Through testimonies and documents, the museum traces more than one century of history of the shipyard, the town and the Italian traditional culture of shipbuilding industry. More info at [www.mucamonfalcone.it](http://www.mucamonfalcone.it)

## ORGANIZERS

Aries is the Special Agency of the Chamber of Commerce Venezia Giulia, carrying out economic animation activities on behalf of the Chamber, at national/international level. Its mission consists in the implementation of activities aimed at supporting the development of enterprises, especially SMEs.

Specific sectors, such as maritime, biotech/biomedicine, fisheries/acquaculture, transport/logistics, tourism, local products, etc. or themes of economic interest (transnational cooperation, blue economy, territorial promotion, internationalization, business clusters, fairs/exhibitions, environmental protection, training, innovation transfer, management of funding schemes) serve as guidelines for the development and management of projects funded by public sources. Particular expertise is held in managing territorial cooperation projects.
