

Request for Information (RFI) Establishment of a Convention and Congress Center in Eilat

**Owners of convention and exhibition halls?
Experts in setting up conference centers and concert halls?
Do you know how to produce huge events?**

You are welcome to contact the Israel Ministry of Tourism!

The Israel Ministry of Tourism is looking ahead and examining the possibility of establishing a conference, exhibition and performance center in the city of Eilat in order to create additional attractions for the city and lead to its position as an international tourism and business city that hosts conferences, exhibitions and mass performances.

A conference center in Eilat will bring about collaborations between entrepreneurs in Israel and around the world and will serve as a showcase for Israel and its businesses around the world.

The Ministry invites those with knowledge in the fields of establishing joint infrastructure for the private and government sector and experts in the field of conferences, events and exhibitions to contact us and attach their references to the aforementioned request for information (RFI), to the address www.gov.il/en/departments/ministry_of_tourism > Publications

The answers to the RFI should be sent
via email: RFI-Eilat@inbal.co.il
no later than **Thursday, 18 Shevat 5782, January 20, 2022**

Any questions and / or inquiries must be submitted in writing to the Israel Ministry of Tourism via email: RFI-Eilat@inbal.co.il, no later than **Wednesday, 3 Shevat 5782, January 5, 2022**

The request is intended for information only. The Ministry will consider the continuation of its actions in accordance with professional and relevant considerations.
